NYG	NE	-3 NE	Take The Giants with the spread and straight up.	

THIS WEEK'S NOTES

I will be cheering on my home team the New England Patriots for a SuperBowl win. Sadly as far as picks are concerned it is The Giants easily. Patriots lost to the Giants earlier in the year and the Giants did not even have their wide out playing. Personally this is going to be a coronation for Eli Manning winning his 2nd SuperBowl.
